Loan Agreement – Commercial Vehicle Loan

Loan of ₹8,50,000 at a fixed **15.50% per annum** (reducing balance), repayable in **36 monthly EMIs of ₹29,675** due on the **5th of each month** from 5 March 2025 to 5 February 2028. Grace period 3 days; late payment charge ₹500 flat per EMI after it; no prepayment or foreclosure charge.

This Loan Agreement (the "Agreement") is made at Ludhiana on 10 February 2025 between **BusinessFlow Finance**, a non-banking financial company having its registered office at Mumbai, Maharashtra (the "Lender"), and **Harpreet Singh**, sole proprietor of **Singh Roadlines**, a goods transport (two light commercial trucks on Ludhiana-Delhi routes), carrying on business at Plot 18, Transport Nagar, Ludhiana, Punjab 141003 (the "Borrower").

1. Definitions

In this Agreement: "EMI" means each equated monthly instalment set out in Schedule II; "Due Date" means the date on which an EMI falls due under Schedule II; "Grace Period" means the 3 calendar days immediately after a Due Date; "Outstanding Balance" means the EMIs not yet paid together with any late payment charge not yet paid or waived; "Policies" means the Lender's published policies BFF-POL-01 to BFF-POL-07, as amended from time to time with notice to the Borrower.

2. The loan

2.1 The Lender agrees to lend and the Borrower agrees to borrow ₹8,50,000 (Rupees Eight Lakh Fifty Thousand only) (the "Loan") for purchase of a 7-tonne light commercial truck, and for no other purpose.

2.2 The Loan was disbursed in one tranche on 15 February 2025 to the Borrower's account with HDFC Bank, Ferozepur Road branch (current a/c ending 9064), net of the processing fee of ₹8,500.00 and GST of ₹1,530.00 on it, so that ₹8,39,970.00 was credited to the Borrower.

3. Interest

3.1 Interest is charged at the fixed rate of **15.50% per annum** on the reducing balance of the Loan, computed monthly and payable as part of each EMI. The rate does not change during the tenure.

3.2 The Annual Percentage Rate (APR) of the Loan, including the processing fee, is 16.34% per annum, as stated in the Key Fact Statement given to the Borrower before this Agreement was signed. The total interest payable over the tenure is ₹2,18,258.15.

4. Repayment

4.1 The Borrower shall repay the Loan with interest in 36 EMIs of ₹29,675 each, the first on 5 March 2025 and the last on 5 February 2028, on the 5th of each month, as set out in Schedule II. The last EMI is ₹29,633.15, as it absorbs the rounding of the earlier EMIs.

4.2 The Borrower has registered a NACH mandate on HDFC Bank, Ferozepur Road branch (current a/c ending 9064) for an amount not less than the EMI, and shall keep that account funded on every Due Date. A Due Date falling on a bank holiday is presented on the next working day.

4.3 If a NACH debit fails, the EMI remains payable. The Borrower may pay it through a payment link sent by the Lender (valid for 72 hours), by UPI, or by NEFT, IMPS or RTGS to the Lender's HDFC Bank, Fort branch, Mumbai -- collections account ending 4417 (IFSC HDFC0000060), quoting the loan number BFF/CV/2025/0066 in the remarks.

5. Grace period and late payment charge

5.1 An EMI received within the Grace Period is treated as paid on time for every purpose, and no charge applies.

5.2 An EMI remaining unpaid after the Grace Period attracts a flat late payment charge of ₹500, levied once for that EMI. It is not levied per day, is not compounded, is not added to the principal and bears no interest. The Lender levies no charge for a returned or dishonoured NACH debit; the Borrower's bank may levy its own.

5.3 Only an authorised officer of the Lender may waive a late payment charge, by a recorded decision with the reason, which is communicated to the Borrower.

6. Application of payments

Every payment is applied first to the EMI that is due, then to any late payment charge outstanding, oldest first, and any balance is credited towards the next EMI, unless the Borrower asks for it to reduce the EMI or the remaining number of EMIs, as policy BFF-POL-02 provides.

7. Prepayment and closure

7.1 The Borrower may prepay all or part of the Outstanding Balance at any time without any prepayment or foreclosure charge.

7.2 When the Outstanding Balance has been paid in full, the Lender shall, on request, issue a closure (no-dues) certificate and report the Loan as closed to the credit information companies.

8. Difficulty in paying

If the Borrower expects difficulty in paying an EMI, the Borrower should inform the Lender as early as possible. The Lender will consider, in accordance with policy BFF-POL-04 and subject to approval by its officer: a promise to pay in up to four parts within 90 days; a part-payment of at least 70% of one EMI; an extension of the tenure by one to three months, which spreads the remaining EMIs over the longer tenure without additional interest; or a one-time settlement of the remaining EMIs less 5%, paid in one payment. Any such arrangement binds the Lender only once confirmed in writing.

9. The Borrower's undertakings

- To use the Loan only for the purpose in clause 2.1 and to keep proper books of account of the business.
- To inform the Lender within 15 days of any change of address, mobile number, business name or bank account, and to register a fresh NACH mandate before closing the account on which the existing mandate is registered.
- Not to raise any other loan against the assets financed by this Loan without the Lender's consent.
- To give true and complete information; the Borrower confirms that all information given in the application is true.

10. Security

10.1 As security for the Loan, the Borrower hypothecates to the Lender the light commercial truck registration PB 10 HK 4471 (engine no. ending 88213, chassis no. ending 61907), hypothecated to the lender and recorded on the registration certificate (the "Asset"), by way of a first and exclusive charge, until every amount payable under this Agreement has been paid.

10.2 The Borrower shall keep the Asset in good working order at the business premises stated above, shall not sell, lease, pledge or otherwise part with it without the Lender's written consent, and shall allow the Lender to inspect it on reasonable notice during business hours.

10.3 Within 30 days of the Loan being fully repaid, the Lender shall release the hypothecation, issue a No Objection Certificate and a signed Form 35 so that the Borrower can have the hypothecation entry removed from the registration certificate, and return any original document deposited with it, as the Reserve Bank of India's directions require; for a delay attributable to the Lender beyond 30 days, the Lender compensates the Borrower at ₹5,000 for each day of delay.

11. Events of default

Each of the following is an event of default: (a) any EMI or other amount remaining unpaid for 90 days or more after its Due Date; (b) any information given by the Borrower proving to have been false in a material respect; (c) the sale or transfer of the Asset without the Lender's consent; (d) the Borrower closing the business or becoming insolvent.

12. Consequences of default

On an event of default the Lender may, after giving the Borrower 15 days' written notice and an opportunity to be heard, declare the Outstanding Balance immediately payable, and enforce its security over the Asset in accordance with law. The Lender reports the repayment record of the Loan to the credit information companies as the law requires. The Lender does not engage third-party recovery agents for this Loan; all follow-up is by its own staff and its automated assistant, in accordance with its Fair Practices Code (policy BFF-POL-01).

13. Communication

The Lender communicates with the Borrower through its web assistant, through Telegram once the Borrower has linked it, and by phone, in the Borrower's chosen language (Hinglish). The assistant is automated and is identified as such; it cannot waive a charge, change the terms of this Agreement or approve a restructuring. The Borrower may ask for a person at any time.

14. Grievances

The Borrower may raise any grievance through the assistant, Telegram or by phone; it is handled under policy BFF-POL-05, with escalation to the Grievance Redressal Officer and the Principal Nodal Officer and, after 30 days or an unsatisfactory reply, to the Reserve Bank – Integrated Ombudsman Scheme, 2021.

15. Assignment

The Lender may assign or securitise the Loan in accordance with the directions of the Reserve Bank of India, with notice to the Borrower; the Borrower may not assign this Agreement.

16. Governing law

This Agreement is governed by the laws of India. The courts at Mumbai and at Ludhiana have jurisdiction.

17. Special conditions

- The Borrower shall keep the vehicle comprehensively insured, with the Lender named as loss payee, for the whole tenure.
